## Meet the Team

Claire Scott

Claire is our Office Manager, HR Guru, Client Liaison, Top recruiter and all-round Wonder Woman. With a background in Management and starting her work life as a Junior in a Travel Recruitment Agency at the age of 17, she has a wealth of experience in a number of sectors. She tells us she is still only 30 every year, we aren't quite sure how!

Billy Evans

Billy is our all-round recruiter looking after various sectors including Construction, Administration, Management and IT. He brings with him a wealth of knowledge, having spent his entire career thus far, in Recruitment. A highlight for Billy before joining us had been placing the Head of Information Security at Wickes, all in his first year as a recruiter. Impressive!

Jason Jagai

Jason is our Business Development Manager, and our all-round Michael Knight dealing with our new clients. Starting his work life as a Trainee Recruitment Consultant, he has since then worked his way through the ranks. A career highlight had been leading the recruitment that was responsible for supplying labour for the construction of all the major venues for the Olympic Park, Athlete's Village and Westfield Shopping City from 2008-2012.

Peter Bowden

With 25 years knowledge of the construction industry, Peter is our Construction Recruiter. An ex-military man, Peter spent six years with the Queens Regiment and served in Northern Ireland, The Falkland's and Germany. After leaving the Army, he spent 10 years in Site Security managing teams at the BBC and for American Oil firm, Marathon Oil.

Sandra Tippett

Meet Sandra, our Accounts Manager. She has over 30 years of experience in Accounts and Payroll, two thirds of it being, at Abbey Personnel! Anyone who has worked with us over the years, has probably crossed paths with Sandra at some point. However, do not be fooled by the Snow-White exterior, she is Malnificent in disguise.
